Yes, you *can* return items while we're off-line, but it would help us if you hang on to them until the new system goes live.

No materials will be due August 9th-23rd.
Please consider NOT returning items August 10th-19th.

Thank you for your help and your patience!

**While the catalog is off-line,
we will **NOT** be able to:**

- **Check-in Items**
- **Renew items**
- **Update your account info**
- **Place or fill hold requests**
- **Guarantee access to the
eLibrary**

Thanks for your patience!
