Ms. Schut noted that the Finance Committee discussed the funding request submitted to the County Commissioners, noting that the request did not include anticipated grants, which can give the appearance that the library is spending in excess of the budget submission and request.

Ms. Schut reviewed a discussion by the Finance Committee of the financial impact of the consortial agreement, noting that for Fiscal Year 2018, there would be no costs related to the Polaris ILS; for Fiscal Year 2019, costs would be based on the costs for the current ILS; and that for Fiscal Year 2020, the cost would be 6.4% of the total charge due to the size of the Library.

The trustees discussed the purpose and services provided by the Eastern Shore Regional Library, and the agreement between the Library and the consortium.

Ms. Tully moved to approve the consortial contract as presented. Ms. Schut seconded the motion, which was approved unanimously.

Ms. Schut reviewed 10 budget adjustments presented to the Finance Committee. Ms. Schut moved to approve the adjustments to the Fiscal Year 2017 budget as recommended by the Finance Committee. Mr. Runde seconded the motion, which was approved unanimously.

**Director’s Report**

Ms. Adams reviewed the Fiscal Year 2017 Strategic Long Range Plan goals with the Trustees. Ms. Adams noted that the ILS change affected a few of the goals, however most of the others had been completed. The Trustees discussed the measurability of the goals and establishing a metric for how the goals will be met.

Ms. Adams informed the Trustees that Ms. Lane and Ms. Adams would be attending a training session related to 3D printing for educators, and that the Library would be receiving a printer as part of the event.

Mr. Harding asked if offline training would be available for Polaris. Ms. Adams replied that a training database would be set up allowing for the education of all interested individuals.

**Foundation for the Kent County Public Library**

Ms. Macbeth noted that Mr. Lerner was absent. Ms. Macbeth noted that the engagement of individuals with the Foundation was dwindling.

**Facilities Committee**

Mr. Harding informed the Trustees that Ms. Adams and Mr. Harding had met with the contractor and set up a schedule of job meetings. Mr. Harding noted that the HVAC renovation would not be continuous, but would instead happen in bursts of activity. Mr. Harding further noted that the contractor had proposed a few substitutions, which would be reviewed but had not been approved yet.

Mr. Harding reviewed changes to the space, noting that the corral area where current equipment was would need to be enlarged to accommodate the new equipment, and that current underground piping would need to be elevated due to regulation changes.

Mr. Harding noted that Ms. Globus would be returning in the fall with a design for the children's and teen space, and that the Library should be in a position to proceed with the design in January of 2018.

**Advocacy Committee**

The Advocacy Committee reported that the summer reading initiative was going well.

**Director Evaluation**

Ms. Macbeth reviewed with the Trustees that a tool had been developed and distributed, but that the evaluation had been moved to the August 30 meeting. Ms. Macbeth noted that performance evaluations should be submitted to her.
