

Apply to Serve on the Board of the Friends of the Kent County Public Library

Are you interested in supporting one of the community's most dynamic and important resources? Apply to join the Board of the Friends of the Kent County Public Library!

The Friends of the Kent County Public Library is a nonprofit organization that has been serving and promoting Kent County Public Library since 1973 with gifts of materials, support for programs, and funding for special projects.

- Friends are a group of people who *donate hearts, hands, and more to the library they love.*
- Friends *help the community by encouraging literacy.*
- Friends *raise money for library needs not covered by the library budget.*
- Friends *provide enriching cultural programs.*
- Friends *raise awareness about the wonderful resources available at the library.*

Applicants for Board positions must be current members of the Friends of the Kent County Public Library. Membership fees start at \$10 a year for individuals.

The Friends' Board, along with many other wonderful volunteers, organizes the very popular semi-annual book sales that are held at KCPL, conducts an annual membership drive, and responds to the library's needs when they arise. Members of the Board meet on the second Saturday of the month at KCPL's Chestertown branch to plan and guide the future of their continued support of the library.

If you would like to be a part of the magic of making all this happen, please consider joining the Friends and applying to serve on the Board!
